

Ottatown Bursary Application

Bursaries can be applied for at any time up until Registration Day in September. Applications are processed as they are received in the Ottatown Office.

Funds for bursary assistance are limited. Ottatown cannot guarantee any assistance, but will consider and assess each application carefully in relation to all other applications received and in consideration of your Notice of Assessment and Awards from your provincial government financial aid application. Applying for provincial financial aid is a requirement for this bursary application (see bottom of page 2). If you are awarded a bursary the funds will be applied to your student account at CMU in December.

If any questions on this form are left unanswered, the application may be void. Please provide an explanation for all omissions either on this application or on a separate piece of paper.
