Travel Insurance Policy

Coverage for any benefit under this policy is subject to receipt of *your confirmation* and payment of the required premium. In the event *you* incur eligible expenses and/or losses that are covered by the insurance plan *you* have purchased, *we* will reimburse eligible expenses and/or pay benefits for covered losses, subject to the terms, conditions, limitations and exclusions stated in this policy.

COVERAGE REQUIREMENTS

To be eligible for coverage, *you* must, as of the date *you* apply for coverage and the *effective date*:

- be a resident of Canada and covered under a *government health insurance plan* for the entire duration of *your trip*. **If at time of claim, it is discovered that *you* no longer have coverage under a *government health insurance plan*, the maximum amount payable for all eligible expenses combined will be limited to \$25,000;**
- purchase coverage for the full duration and for the full value of the prepaid non-refundable portion of the *trip*, up to \$5,000;
- be at least 31 days of *age* and under *age* 29;
- be travelling for 365 days or less.

Please check the *pre-existing condition* exclusion on page 18.

PERIOD OF COVERAGE

The period of coverage under this policy shall not exceed 12 consecutive months for any one *trip*.

The *trip* must originate and terminate in Canada except for benefits under Trip Cancellation/Trip Interruption/Trip Disruption.

This insurance must be purchased prior to departure from *your* province or territory of residence in Canada and for the complete duration of the *trip*.

THE DATE YOUR COVERAGE STARTS / YOUR EFFECTIVE DATE OF COVERAGE

Trip Cancellation Insurance coverage starts at the date and time *you* pay the premium for that coverage.

Top-Up Coverage: If *you* purchased this insurance as a *Top-Up* to another plan, coverage starts after *you* leave home, on the start date of *Top-Up* coverage indicated on *your* application which must correspond to the first day after expiration of *your* other plan.

For all other benefits, coverage starts on *your departure date*.

THE DATE YOUR COVERAGE ENDS / YOUR COVERAGE EXPIRY DATE

Trip Cancellation Insurance coverage ends on the earlier of:

- your departure date*; or
- the date *you* cancel *your trip*.

For all other benefits, *your* coverage ends on the earliest of:

- the date *you* return home*;
- the expiry date, as shown on *your confirmation*; or
- when the number of days of coverage *you* purchased expires.

* ***Your insurance coverage will not end if you temporarily return home***

Your insurance coverage will not end if *you* temporarily return to *your* province or territory of residence prior to *your return date* for the purpose of attending a funeral or to go to the *hospital* bedside of an *immediate family* member and then resume *your trip*. In such a case, *your* policy will remain in effect up to *your return date*. However, *you* will not be covered for any *pre-existing condition*, *sickness* or *injury* for which *you*, or any other person whose *medical condition* gives rise to a claim, had sought or received medical *treatment*, or for which medication had commenced, or been changed in type, usage or dosage during the 90-day period immediately prior to the date *you* resumed *your trip*.

TRIP CANCELLATION, TRIP INTERRUPTION AND TRIP DISRUPTION INSURANCE

To be sure *you* have full coverage for *your trip*, *you* must have purchased Trip Cancellation, Trip Interruption and Trip Disruption coverage before any cancellation penalties applied.

When Does Coverage Apply?

Trip Cancellation applies when a covered event occurs prior to *your departure date*.

Trip Interruption applies when a covered event occurs on or after *your departure date*.

Schedule Change applies when, after the start date of *your* coverage, the airline carrier providing transportation for a portion of *your trip* changes the scheduled departure of *your* flight to a later or earlier departure which results in the flight being unusable or causes *you* to miss a connection.

Cancellation of Your Tour/Cruise applies when *your* Tour/Cruise is cancelled for reasons specified in the Tour/Cruise Cancellation Benefit section of the policy.

Trip Disruption applies when a covered event occurs during the course of *your* travel to and from *your departure point* and causes a delay of *your* departure or delay of *your* return back to *your departure point*.

Trip Cancellation - Prior to Departure

If *you* must cancel *your trip* **prior to your departure date** due to the occurrence of any one of the Events Covered for Trip Cancellation or Trip Interruption Insurance, *you* will be reimbursed up to the **sum insured** as *you* selected at time of application:

- the non-refundable portion of *your* prepaid *insured travel arrangements*, published service fees, published cancellation fees as well as other administrative handling fees and service fees specifically indicated by *your travel supplier* on *your confirmation*; or
- the next occupancy charge, if *your travel companion* with whom *you* have prepaid shared accommodation cancels and *you* elect to travel as originally planned; or
- the change fee charged for rebooking *your insured travel arrangements* when such an option is made available by *your travel supplier*.

To cancel a *trip* prior to *your* scheduled *departure date*, *you* must cancel *your trip* with the *travel supplier* immediately, or at the latest, the business day following the cause of cancellation.

If *you* have requested and received prior approval from *our* Assistance Centre, *you* may return to *your* province or territory of residence to attend special events. *Your* medical coverage will not terminate but will be suspended for the duration of *your* temporary return. *Your* medical coverage will resume once *you* begin travel but, if *you* receive *treatment* in Canada for *sickness* or *injury* during *your* temporary return, then any *treatment* received on *your* return to *your* destination relating to the *medical conditions* previously treated in Canada will not be covered.

In all cases of such temporary returns, there will be no refund of premium for any of the days that *you* have returned to *your* province or territory of residence.

Automatic Extension

Under Trip Interruption Insurance, *we* will extend *your* coverage beyond the date *you* were scheduled to return home as per *your confirmation*:

- for up to 10 days, if *you* have a *medical condition* that prevents *you* from returning home on that date; or
- for up to 30 days, if *you* are in *hospital* and that hospitalization prevents *you* from returning home on that date.

However, if travel is medically possible before the 10 or 30 days have passed, *we* will honour *your* claim for eligible expenses only until that earlier date.

Under all other types of insurance, *we* will extend *your* coverage automatically beyond the date *you* were scheduled to return home as per *your confirmation* if:

- your common carrier* is delayed. In this case, *we* will extend *your* coverage for up to 72 hours; or
- you* or *your travel companion* is in *hospital* on that date. In this case, *we* will extend *your* coverage while in *hospital* and for up to 5 days after discharge from the *hospital*; or
- you* or *your travel companion* has a *medical condition* that does not require admission to *hospital* but prevents travel. In this case, *we* will extend *your* coverage for up to 5 days.

In all cases and for all plans, *we* will not extend any coverage beyond 12 months after *your effective date* of insurance.

What If I Stay Longer Than Planned?

Extensions: If *you* have not left home, simply call *your* distributor of Travel Insurance to ask for the extension. If, however, *you* are already on *your trip*, and need to apply for an extension of *your* coverage, simply call *your* distributor of Travel Insurance before the expiry date of *your* existing coverage. *You* may be able to extend *your* coverage, subject to an extra premium, as long as the total length of *your trip* does not exceed 365 days.

If *you* have not had or expect to have a *medical condition* or claim since *your* policy was issued, the extension will be issued right away. Otherwise, the extension is subject to the approval of the Assistance Centre.

Top-ups: To *Top-up* another insurer's plan for trips longer than the number of coverage days *you* have, simply call *your* distributor of Travel Insurance before *you* leave home for the additional coverage days required. It is *your* responsibility to confirm that a *Top-up* is permitted on *your* existing plan with no loss of coverage.

Refund of Premium

Refunds are not available.

If *your trip* is interrupted **on or after your departure date** due to the occurrence of any one of the Events Covered for Trip Cancellation or Trip Interruption Insurance, *you* will be reimbursed for:

1. The extra cost of one-way economy transportation via the most cost-effective itinerary to continue *your trip* as originally booked, or to return to the original *departure point*.

If *you* are required to interrupt *your trip* to attend a funeral or go to the bedside of a hospitalized *immediate family member*, *you* have the option to purchase an economy round-trip ticket; and *you* will be reimbursed for the cost of the round-trip ticket, up to the amount of one-way economy transportation back to the *departure point of your trip*.

2. a) The unused non-refundable prepaid portion of *your insured travel arrangements* (except the cost of prepaid unused transportation back to *your departure point*); or
b) If applicable, the next occupancy charge if *your travel companion*, with whom *you* have prepaid shared accommodation, cancels and *you* elect to continue the *trip* as originally planned.
3. Published cancellation fees imposed for the early return of a *rental vehicle* prior to the contracted date of return and published cancellation fees imposed by hotels for unused accommodations.
4. Extra expenses incurred for commercial accommodation and meals, essential telephone calls and taxi fares caused by the interruption of *your trip*, up to **\$150 per day** to a maximum of **\$300**. Original receipts must be provided when claiming this benefit.
5. **In the event of your death** resulting from a covered *injury* or *sickness* while on the *trip*:
 - a) the reasonable costs incurred for preparing and transporting *your remains* back to *your departure point* in Canada; or
 - b) the cost of cremation and burial of *your remains* at the location where death occurs, to the maximum of **\$3,000**.

No benefit is payable for the cost of a headstone, casket, urn and/or funeral service expenses.

No benefit will be payable under item Trip Interruption – On or After Departure, if *you* are eligible and qualify to receive the payment for the same expenses under any other benefit section of this policy.

- For **Travel Accident Insurance** and **Baggage & Personal Effects Insurance**, benefits will be payable up to a maximum of **100%** of the sum insured for any eligible loss; and
- For **Trip Cancellation/Trip Interruption/Trip Disruption Insurance** and **Emergency Medical Insurance**, *we* will provide benefits to *you* for *your* covered expenses subject to the maximum shown in the benefits section and this provision;
- The benefits payable, as described directly above, are in excess of all other potential sources of recovery, including alternative or replacement travel options offered by airlines, tour operators, cruise lines and any other *travel supplier* and other insurance coverage (even where such other coverage is described as excess) and will only become available after *you* have exhausted all such other sources.

Any benefits payable pursuant to *our* **Trip Cancellation/Trip Interruption/Trip Disruption Insurance** and **Emergency Medical Insurance** shall be subject to an overall maximum aggregate payable limit relating to all in-force travel policies issued by *us*, including this policy. If total claims otherwise payable for a type of coverage under all travel policies issued by *us*, resulting from one or more *acts of terrorism* occurring within an applicable time period, exceed this maximum aggregate payable limit, then the amount paid on each claim shall be reduced on a pro rata basis so that the total amount paid in respect of all such claims shall be the maximum aggregate payable limit.
